About Us

CAPITAL-PROFIT.NET

Diversity and Inclusion

Valuing and respecting our differences

We know that having the right people on our team isn't just about delivering a great service to clients, it's also a core part of our community responsibility efforts.

What does diversity and inclusion mean at TD Global Net?

At TD Global Net, we are focused on diversity of thought. This means attracting and encouraging people with a unique voice, so they can challenge the status quo and help clients to make better business decisions. This diversity sits at the centre of our approach to problem solving and innovative thinking.

Across our global network, we recognise that workplaces need to be inclusive of everyone regardless of gender, cultural identity, age, ability, sexual orientation and work style or approach if they want to achieve this diversity of thought.

That is why we are focusing our diversity efforts on gender and ethnicity. We've made a number of key local and international partnerships, with organisations and company around the globe

We are also proud of our commitment to creating a safe, welcoming and inclusive work place for employees with diverse gender identity and sexual orientation. Every day, our Team (Shine) members shine the light on important issues in society and we work hard to make our culture stronger and to create brighter opportunities that let each and every one of us truly shine.

Statement of intent and commitment

As a firm, our sustained success is based on the ability of our people to be at their best. We want our people to be themselves, be bold, share their unique differences and form deep relationships that are rooted in trust. We get the best from our people when they find meaning and purpose in their work and see how their own values and aspirations can be brought to life through what they do at TD Global Net.

OUR VISION

What's The New Equation?

It's bringing people and technology together in unexpected ways. To build trust and deliver sustained outcomes. Delivering sustained outcomes which make a difference

Our approach embodies

A Group of solvers coming together in unexpected ways to deliver outcomes for people, organisations and their customers, stakeholders and communities, which make a positive and enduring impact right across the value chain.

Our formula

We deliver bold ideas, solutions which are human-led and tech-powered and meaningful experiences which deliver real-life results.

Environmental sustainability

Capital-profit.net's purpose is to build trust in society and solve important problems.

There is no more important or far reaching problem than climate change. We're focused on helping to solve one of the major issues reshaping the world; climate change and resource scarcity. As part of our sustainability efforts, we've set some clear targets to reduce our environmental impact.
